WHO WE ARE

Two decades of walking alongside our clients

Build & Restore Counselling Services is a Nairobi-based team of professional counselling and clinical psychologists with more than 20 years of combined experience across local and international practice. The team is known for its skill in navigating team conflict, workplace stress and human relational dynamics, alongside individual and family therapeutic care.

We offer compassionate, evidence-based mental health care tailored to each client, guiding people through healing, personal growth and life's harder transitions with professionalism, empathy and care.

Mary Mbulwa Musau

Founder & CEO — Counselling Psychologist

"Our mission is to build and restore people's emotional and mental well-being — helping them find release and freedom to live fully and productively."
