Who We Are

From Tennis Roots to a Multi-Sport Powerhouse

Bumblebee Sports Academy (an upcoming expansion of *Bumblebee Tennis Academy*) is a division of **Bumblebee Sports and Fitness Ltd**, established in **2011**.

We are a sports development company dedicated to nurturing young athletes through structured training, mentorship, and holistic development.

Our journey began with **tennis**, where we introduced thousands of children to the sport across leading schools in Nairobi. Over the years, our passion for youth empowerment and character building has inspired the creation of **Bumblebee Sports Academy**, a multi-sport institution designed to develop champions both on and off the field.

At Bumblebee, we believe that sport is more than competition. It is a **tool for education, character formation, and lifelong discipline**. Our programs are designed to build confidence, teamwork, and integrity, ensuring every child grows not only as an athlete but also as a complete individual.

Vision & Mission Driving Every Session

Our Vision

**To transform lives and communities through sport,
becoming a leading sports and wellness ecosystem
across Africa**

Our Mission

**Our mission is to create a platform that
develops every child not only as an athlete
but also as a whole person physically,
mentally, and socially.**

Six Core Values We Live Daily

Discipline

Instilling habits of consistency, focus and respect.

Excellence

Striving for the highest standards.

Commitment

Dedicated to every athlete's success.

Integrity

Upholding honesty and fairness in all interactions.

Fun

Creating an enjoyable environment.

Teamwork

Fostering collaboration, friendship and sportsmanship.

TWO KEY CHALLENGES TO BUMBLEBEE'S GROWTH

1 TECHNOLOGY & DATA

How do we run Bumblebee smarter as we scale?

THE PROBLEM

- Bumblebee is growing, and there is a lot of information to keep track of players, coaches, attendance, schedules, payments and programs. Some of this is currently handled in different ways, making it harder to find information, track what is happening and know what is working. **How can Bumblebee make better use of its information to work smarter and grow?**

Can we design a digital solution that could help Bumblebee manage 5,000+ athletes without 5,000+ times the administration?

2 CUSTOMER GROWTH & CONVERSION

How do we consistently turn awareness into paying, long-term players?

THE PROBLEM

- Many people come across Bumblebee through schools, camps, tournaments, the academy and other activities. However, some never take the next step, while others join but eventually stop. **Why do people choose to join Bumblebee, why do some not join, and what makes others stay or leave?**

How can we design a low-cost, repeatable growth engine that brings in more players and converts more participants into academy athletes?

THE GOAL • Attract more players → deliver a better experience → retain them → scale impact sustainably

Programs Portfolio

Tennis Academy: Our Flagship Launchpad

Our flagship **Bumblebee Tennis Academy** in **Karen** offers private and group coaching for children aged three and above.

We run structured programs from beginner to advanced levels, with clear pathways for players aspiring to compete regionally and internationally.

We also partner with leading schools to deliver tennis as an extracurricular activity, including:

- Brookhouse Schools (Karen and Runda)
- Nairobi Academy
- St. Christopher's School (Karen)
- West Nairobi School
- Braeburn Nanyuki International school

Previously, we have partnered with Hillcrest Schools, Braeside, Nairobi Waldorf, and School of the Nations.

School Sports & Holiday Camps

School Sports Programs

Through Bumblebee Sports Academy, we aim to expand into **multi-sport programs** within schools, including tennis, football, athletics, and fitness.

These programs will focus on both physical skill and life lessons, helping children build teamwork, leadership, and resilience through sport.

Holiday Camps

We plan to enhance our **holiday sports camps** to include a broader range of disciplines.

These camps will provide fun-filled, structured training experiences during school breaks, combining professional coaching with teamwork, competitions, and life skill sessions.

Talent Development & Community Outreach

As the Academy develops, our goal is to establish a **Talent Development Unit** to identify and mentor promising athletes. This pathway will offer advanced technical training, exposure to tournaments, and sports science support, preparing athletes to represent Kenya and Africa internationally.

Community Outreach

Bumblebee Sports Academy is committed to inclusion and community growth.

Our outreach programs will continue to provide opportunities for children from underserved backgrounds to access quality sports training and mentorship, ensuring that no talent goes unnoticed.

Collaboration Offerings

School Partnership Models

We tailor extracurricular or curriculum-timetable sports programs, providing equipment, coach training, and intra-school events.

Partner Schools

Tailored Programs

Enhanced Learning

This frees educators to focus on academics while we raise sporting standards and enrich learner portfolios for university applications.

Corporate Sponsorship Vehicles

Sponsorship Opportunities

Brands can sponsor tournaments, outreach clinics, or scholarship funds, gaining CSR visibility and association with health and youth empowerment. Sponsorship supports our mission and enhances brand reputation.

Employee Engagement

Corporate partners can participate in our programs through employee volunteering opportunities. This fosters team building and community involvement, aligning with corporate values.

Impact Measurement

We provide detailed reports on the impact of sponsored programs, showcasing how contributions make a difference in the lives of young athletes and communities.

Facility & Community Joint Ventures

Facility Partnerships

We collaborate to design, manage, and program shared sports facilities. These partnerships unlock revenue for landowners while expanding accessible infrastructure for the community.

Community Development

Our community projects prioritize participation and inclusion and provide free clinics and programs for underserved areas. These initiatives promote equal access to sports and foster social cohesion.

Together, we can shape the next generation of champions who embody **discipline, excellence, and respect.**
