From farm to table, every step carries the same promise:

Quality. Fresh. Delicious. Family Favourite.

Built around a simple belief

Jilly & Tilly Comidas was founded in Nairobi in 2019 around a simple belief: good food should feel fresh, dependable and close to home. Started with personal savings, it now runs as a small, women-led team bringing together food products, agricultural supply, value addition and distribution for households, offices, institutions and events.
