JIINUE BUSINESS ACCELERATOR · SYLLABUS

Month 1 of 3

Foundation & Business Fundamentals

12 sessions across 3 months, from a baseline diagnostic to a final pitching competition and graduation.

SESSION 01

Stepping In Session

Orientation & Baseline Assessment

LEARNING OBJECTIVE

Align expectations, establish baseline performance metrics, and introduce participants to the accelerator journey and peer network.

KEY DELIVERABLES

- ✓ Completed enterprise baseline diagnostic scorecard
- ✓ Signed accelerator participation agreement and milestone roadmap

SESSION 02

Financial Literacy & Cash Flow Management

LEARNING OBJECTIVE

Master cash flow forecasting, decode financial statements, and understand working capital requirements for scaling SMEs.

KEY DELIVERABLES

- ✓ 12-month rolling cash flow projection template
- ✓ Unit economics and break-even analysis calculator for each enterprise

SESSION 03

Market Access & Value Proposition Refinement

LEARNING OBJECTIVE

Sharpen customer segmentation, articulate a clear unique value proposition (UVP), and map out scalable distribution channels.

KEY DELIVERABLES

- ✓ Completed Business Model Canvas or Lean Canvas
- ✓ Market entry or expansion strategy brief

SESSION 04

Operations, Governance, & Compliance

LEARNING OBJECTIVE

Identify regulatory bottlenecks, implement robust internal controls, and establish solid legal and corporate governance foundations.

KEY DELIVERABLES

- ✓ Legal and regulatory compliance checklist
- ✓ Core Standard Operating Procedures (SOPs) manual outline

Month 2 of 3

Growth, Technology, & Scaling

SESSION 05

Digital Transformation & AI Adoption

LEARNING OBJECTIVE

Identify cost-effective digital tools and AI applications to automate workflows, streamline marketing, and improve customer service.

KEY DELIVERABLES

- ✓ Enterprise digital audit report
- ✓ Customized tech-stack and automation implementation plan

SESSION 06

Talent Acquisition, Leadership, & Team Building

LEARNING OBJECTIVE

Transition from founder-led sales and operations to building empowered, high-performing teams with clear Key Performance Indicators (KPIs).

KEY DELIVERABLES

- ✓ Organizational chart and core job description templates
- ✓ Performance management and goal-setting framework

SESSION 07

Strategic Partnerships & Industry-Academia Collaboration

LEARNING OBJECTIVE

Leverage institutional research, talent pipelines, and innovation ecosystems to fuel business growth.

KEY DELIVERABLES

- ✓ University-SME collaboration brief or R&D partnership concept note

SESSION 08

Product Development & Innovation Strategy

LEARNING OBJECTIVE

Systematically gather customer feedback, manage product lifecycles, and iterate on core offerings to capture higher margins.

KEY DELIVERABLES

- ✓ Product roadmap and customer feedback loop framework

Month 3 of 3

Investment Readiness & Culmination

SESSION 09

Investment Readiness & Pitch Deck Masterclass

LEARNING OBJECTIVE

Understand investor psychology, valuation metrics, and how to structure a compelling, data-backed funding request.

KEY DELIVERABLES

- ✓ A polished 12-slide investor pitch deck
- ✓ Executive summary and one-pager for investors

SESSION 10

Mock Pitching & Feedback Round

LEARNING OBJECTIVE

Test the pitch under simulated pressure, refine storytelling, and address tough questions regarding unit economics and risk.

KEY DELIVERABLES

- ✓ Individualized mentor feedback report with actionable critique
- ✓ Refined script and Q&A defense playbook

SESSION 11

Final Pitching Competition

LEARNING OBJECTIVE

Showcase business growth, strategic vision, and market traction before an expert judging panel.

KEY DELIVERABLES

- ✓ Live pitch presentation
- ✓ Selection and announcement of the top three enterprises advancing to present at the Africa SME Award

SESSION 12

Graduation & Networking Showcase

LEARNING OBJECTIVE

Celebrate milestone completion, establish enduring industry connections, and interface directly with prospective investors and partners.

KEY DELIVERABLES

- ✓ Jiinue Business Accelerator Certificate of Completion
- ✓ Investor and stakeholder networking directory
